

### Lake Travis Wrestling Booster Club Membership

The Booster Club supports and enriches the wrestling experience for our athletes by providing funding for travel expenses, needed equipment, facility improvements and program expenses not covered by school funding. Support for these needs will come through Booster Club membership fees, sponsorship by local businesses, concession stand receipts, gifts, and fundraisers.

As far as Booster Club membership, we have identified three levels below. We encourage your participation at any level.

*Note that, per UIL Rules, Away Tournament Meals, Teacher Appreciation Shirts / Gifts, Regionals, or State Shirts are not covered in this membership.*

**\*\*\*No Refunds\*\*\***

**Please Note: Our budget may not be fully funded by Booster Club membership fees alone and booster members may be asked to volunteer or support further fundraising efforts as needed.**

**Gold Members \$250:** Booster club membership, yard sign, window decal and one ticket to the end of year wrestling banquet.

**Silver Members \$150:** Booster club membership, yard sign, window decal.

**Bronze Membership \$75:** Booster club membership window decal.
